A Duel with Paper Wads.

CINCINNATI, July 26.—Gen. Thomas
Green and David McClure, two well-
known citizens of Madison, Indiana,
fought a duel last evening on Big
creek, a few miles distant from Madis-
on. They were members of a party
who had gone out on an excursion,
and the quarrel arose between McClure
and Green while the other members
were absent from the camp. During
the progress of the war of words their
companions returned, when it was pro-
posed to settle their differences accord-
ing to the code. It was determined that
they should fight with shot-guns at ten
paces, and Jacob Greiner and Robert
H. Humphreys were chosen to act as
seconds. The duellists took their places,
each pale and determined, and at the
proper signal both fired, but without
effect. Humphreys remarked that they
had fired too high, and would have to
try again. The weapons were reload-
ed, and the principals took their
places. At the word McClure's gun
was discharged, and the General find-
ing himself unhurt, fired in the air,
telling his antagonist he would spare
his life. It was decided that the honor
of both had been vindicated, and the
seconds refused to allow a third round
to be fought. After a reconciliation
had been offered, and the party had re-
turned to Madison, it leaked out that
the seconds had loaded the guns with
nothing more deadly than paper wads.

Destructive Storm in Washington.

WASHINGTON, August 5.—This after-
noon the city was visited by the most
terrible storm known for many years.
Some fifty houses were unroofed, and
extensive damage done to many houses
in the course of erection. Castle
Stewart, rented to the Chinese Em-
bassy was damaged. Mary Sharp (color-
ed) was blown into the river, with the
house in which she resided, and
drowned. There are reports of sever-
al persons being injured by lightning.
The Patent Office, Smithsonian In-
stitution, Church of the Holy Cross and
Church of the Communion were struck
by lightning, but not seriously dam-
aged. There was a very great destruc-
tion of sewers, and cellars of business
houses in the neighborhood of Penn-
sylvania avenue and Seventh street
were flooded. The avenue in front of
the Executive Mansion and the Treas-
ury Department during the storm re-
sembled a rapidly flowing river. Hun-
dreds of sparrows were killed by hail.
Shade trees were broken and blown
down. The damage to public and pri-
vate property will reach at least \$75-
000. Passengers at the Baltimore and
Potomac depot were ferried across in
wagons.

Union Pacific Land.

OMAHA, July 27.—Secretary Schurz's
decision to the effect that the Union
Pacific land not yet sold can be pre-
empted by settlers at \$1.25 per acre
has thrown open to the public a large
amount of valuable land in Nebraska,
and there is no doubt that it will near-
ly all be preempted. The Union Pa-
cific Land Commissioner, Dewitt
Burnham, says that in some counties
the road owns land valued as high as
\$12 per acre, and that they propose to
contest all cases of such preemption.
The result will be a lively struggle on
the part of the Union Pacific, which
will be a very heavy loser by this de-
cision.

Terrific Railroad Accident—Many
Lives Lost.

PITTSBURG, August 7.—The fast line
on the Pittsburgh, Cincinnati and St.
Louis Railroad, which left this city
at 11:47 last night, met with a ter-
rible accident at a point one and a
half miles west of Mingo Junction,
Ohio. The train was composed of
two sleepers, one hotel car, one bag-
gage car, two postal cars and two
coaches. The latter was occupied by
emigrants. At 1 a. m., at the point
named, the fast line, which was about
twenty minutes behind time, and run-
ning at the rate of forty miles an
hour, collided with a freight train.
The entire train except the hotel
cars and sleepers, were thrown from
the track and fearfully wrecked. Ele-
ven or twelve persons are reported
killed, and fifteen to twenty seriously
wounded. No names have yet been
received. All the passengers in sleepers
escaped without serious injury. The
loss of life was confined to those in
the forward cars, occupied by postal
clerks and emigrants.

Reorganization of the Army.

ST. PAUL, August 4.—Major H. B.
Strait, member of Congress from the
Second District of this State, has re-
turned from the meeting of the Com-
mission for the reorganization of the
army at White Sulphur Springs. He
says the sessions of the Commission
were harmonious, and a bill for the
purpose designated will be reported to
Congress when it meets in the Fall.

Our Navy to the Rescue.

LONDON, August 4.—The American
Minister has sent the gunboat Dispatch
to investigate the case of the American
lady who founded a missionary school
in Thessaly and who is said to have
been seriously molested by Greeks.

Nobbling Attempts Suicide.

BERLIN, August 4.—It is reported
that Nobeling attempted suicide to-day
with a pair of paper scissors.

Our new Marshal, C. P. Duke, pro-
cured the names of ten of our most re-
liable citizens, to-day, who will qualify
as his bondsmen.—Miner.

VEGETINE

I Will Try Vegetine.

HE DID.

AND WAS CURED.

DELAWARE, O. February 16, 1877.

Dr. H. R. STEVENS:—

Dear Sir,—I wish to give you this testi-
mony, that you may know, and let others
know, what Vegetine has done for me.

About a year ago a small sore came on
my leg; it soon became a large Ulcer, so
troublesome that I consulted the doctor,
but I got no relief, growing worse from day
to day. I suffered terribly; I could not
rest day or night; I was so reduced my
friends thought I would never recover. I
consulted a doctor at Columbus, Ohio, fol-
lowed his advice, it did no good. I can truly
say I was discouraged. At this time I was
looking over my newspaper, I saw your
advertisement of Vegetine, I saw the
"Great Blood Purifier" for cleansing the blood
from all impurities, curing Humors, Ul-
cers, &c. I said to my family, I will try
some of the Vegetine. Before I had used
the first bottle I began to feel better. I
made up my mind I had got the right
medicine at last. I could now sleep well
nights. I continued taking the Vegetine.
I took thirteen bottles. My health is
good. The Ulcer is gone, and I am able
to attend to business. I paid about four
hundred dollars for medicine and doctors
before I bought the Vegetine. I have re-
commended Vegetine to others with good
success. I have a bottle of it in the
house now. It is a most excellent
medicine. Very respectfully yours,

W. ANTHONI.

Mr. Anthoni is one of the Pioneers of
Delaware, O. He settled here in 1834. He
is a wealthy gentleman, the firm of F.
Anthoni & Sons. Mr. Anthoni is exten-
sively known, especially among the Ger-
mans. He is well known in Cincinnati.
He is respected by all.

IMPURE BLOOD.—In morbid conditions
of the blood are many diseases; such as
scurvy, ringworm, boils, carbuncles,
sores, ulcers and pimples. In this condi-
tion of the blood try the Vegetine, and
cure these affections. As a blood purifier,
it has no equal. Its effects are wonderful.

Vegetine

CURED HER.

DORCHESTER, MASS., June 11.

Dr. H. R. STEVENS:—

Dear Sir,—I feel it my duty to say one
word in regard to the great benefit I have
received from the use of one of the great-
est wonders of the world; it is your Veget-
ine. I have used one of the greatest and
best for the last eight years that ever
could be living. I do sincerely thank my
God and your Vegetine for the relief I
have got. The Rheumatism has pained
me to such an extent that my feet broke
out in sores. For the last three years I
have not been able to walk; now I can
walk and sleep and do my work as well
as ever I did. I am sure I owe it all
to your blood purifier, Vegetine.

MARGERY WELLS.

VEGETINE.—The great success of the
Vegetine as a cleanser and purifier of the
blood is shown beyond a doubt by the
great number who have taken it, and re-
ceived immediate relief, with such re-
markable cures.

Vegetine

IS BETTER

Than any Medicine.

HENDERSON, KY., December 2, 1877.

I have used H. R. Stevens' Vegetine,
and like it better than any medicine I
have used for purifying the blood. One
bottle of Vegetine accomplished more
good than all other medicines I have tak-
en.
